European Rugby Champions Cup and Challenge Cup 2016 Finals in Lyon

Sales and marketing of official and approved hospitality packages

This season, EPCR is organising the 2016 European Rugby Champions Cup and Challenge Cup finals at the **Parc Olympique Lyonnais** (Ex-Grand Stade de Lyon) **on 13 and 14 May 2016**.

With this in mind, the EPCR has appointed the LNR (Ligue National de Rugby) to launch a **consultation** in relation to the **sales and marketing of official hospitality packages in the stadium and approved hospitality packages and services outside the stadium**. It will be an **open consultation**, which will allow all organisations interested in the sales and marketing of the hospitality packages of this event to apply to the LNR.

Companies wishing to submit an offer of services in the context of this consultation can request **an application pack** from the LNR by contacting richard.cacioppo@lnr.fr or finalshospitality@epcrugby.com.

Please note that application packs will also be sent to interested parties for which the LNR and EPCR hold the complete contact details.
